We are excited to be a part of your outreach ministry. Included is a packet of information for you to complete and return to us. We can provide supply cost estimates for the number of people in attendance. To confirm a date's availability, you will need to call and/or e-mail us for confirmation. If you have any questions about the packet, don't hesitate to contact us.

The Lord has been gracious to us in choosing us in being able to serve Him in this manner. He has provided us with the ideas and equipment to do this ministry. Just as Paul did not want to be a burden on the churches and relied on God to meet his needs, we also do not want to be a burden on the churches to meet our needs. We know that God will keep providing in such a way so that we can continue to do His will. God has equipped us with jobs to help us finance this ministry. We find great joy in serving Him and working with fellow believers for the cause of Christ.

Although we do not formally charge for this ministry that the Lord has given us, we will ask for supply cost for supplies we may purchase for you. Because we do not want to rob churches from their blessing of helping us to continue in this ministry, we ask that donations beyond supply costs be through a love offering or a church donation as God leads. We do appreciate the donations, and all donations will go towards our ministry so that we can maintain and expand to help all churches (large and small) in their outreach ministry.

We are looking forward to helping with your event. We will be in prayer for you and the people that you are going to be ministering to. If there is any way that we can assist you further, please let us know.

In His Service,

Please don't hesitate to call or e-mail if there is any way that we can serve you in serving Him.
